Operations Update

- Well 2 has been scrubbed, acid washed and air lifted. Next step is another video log to confirm it's ready to reinstall pump and motor.
- We are working with High Valley Water and SGPWA to get grant funding for AMR meters.
- We are still working on Ramona Property for the new Well. Owners are not responding. We found 2 other potential properties. Waiting to find out if the county approves of the location.
- Ruben Guerrero, our newest employee, passed the Distribution 2 exam.
